Hi Michael and Will,

Are there any specific documents that need to be put online? Looking at other sites it the usual documents seem to be Final Ri, BHHRA, SLERA. Also, the FS and proposed plan once they are final. Let me know if you can think of anything else.

Thanks,

Josh

Hi Josh, hope this message finds you well. We are updating the Riverside website and would like to know what additional documents you would like to list there, besides the usual reports, fact sheets, etc. Fameeda is working on it and we want to make certain that we are being thorough. We also want to make sure we include ORCs thoughts on it (if that is the case on this project). Thanks much and all the best.
